

## **PRESS RELEASE**

**Beaverton, OR (March 15, 2010) –Oregon Youth Soccer Association (OYSA), a USYS affiliated soccer sanctioning bodies today announced that it has successfully negotiated an extension of its contract with Affinity Sports (Affinity).**

**Affinity will continue to provide web based state association services to manage all player and administrator records, risk management, state cup and other activities. Affinity will also continue to provide online registration, tournament, scheduling services to approximately 35 leagues and clubs sanctioned by OYSA. Associations, leagues and clubs using Affinity will have the added benefit of data integration and volume pricing negotiated in the existing contract.**

**In addition, Affinity has been named as a preferred OYSA online vendor.**

**“We appreciate the OYSA relationship very much and with the fall 2010 season right around the corner, we also look forward to working with the many dedicated associations, leagues and clubs that make youth soccer happen in Oregon”, said Mark Skeen, Affinity Sports President.**

**“We are extremely happy with Affinity’s product and customer service. It is absolutely the best we have found, especially for a state association like ours that needs complete data integration for multiple applications, such as state-wide league scheduling, card and roster production, risk management, travel and communication with our membership,” said Chuck Keers, OYSA Executive Director.**
